

Brighton High School Mountain Bike Team

The Brighton Mountain Bike team is one of the top high school mountain biking clubs in the state of Utah. Our focus is to instill a love of mountain biking and wellness in our youth. Our teams are all-inclusive and provide a place for youth to find friendship, self-confidence, and learn dedication. We are a volunteer organization without any financial support from Brighton High School. To successfully run a team, we need financial support. We want to promote your business as our Mountain Bike Team Partner for 2025! We are in the process of obtaining 501(c)(3) status in 2025.

Sponsorship Opportunity

The Brighton Mountain Bike team is coached by dedicated volunteers and every penny of sponsorship goes directly to the team including: league registration, team equipment, race day food, supplies and other activities. We recognize sponsors by placing logos on the team t-shirt, website and team banners at our races.

Please help support the Brighton MTB team!

Our Vision

Enable every Brighton rider to strengthen body, mind and character through the life-long sport of cycling.
